								Legend				
								Meetup times				
								Interest group meetings and events for subsets of conference				
								Concurrent scheduled activities and opportunity to "drop in" (WiMIR tables) and visit with colleagues				
								Open virtual meeting rooms for spontaneous gatherings				
								Poster Sessions (same for Late breaking Demos, MIREX, and Industry Exhibits)				
								8-12 concurrently presenting poster channels per 45 minute slot, with live audio/video chat				
								Each poster presented in two slots for global visibility (#A and #B)				
								Poster slack channels open throughout for asynchronous chat as well				
								All Meetings and Concerts				
								These conference-wide events happen twice in 24 hours (A and B)				
								The first time is recorded live in Zoom and streamed out				
								The second time rebroadcasts stream with live Q&A where appropriate
